specify how long you have been an iisl	I have been an IISL Member since 1997. In 2005, I was elected to the BoD and became Vice President in 2012 and President in 2016. In 2003, I

<p>member and your contributions to iisl to date maximum length 500 words</p>	<p>received the IISL Distinguished Service Award.</p>
<p>specify your expertise and activities in space law or other social science aspects maximum length 500 words</p>	<p>From 2014 to 2016, I was the Chairman of the UNCOPUOS Legal Subcommittee. Before that, I chaired two LSC Working Groups, which resulted in UN General Assembly Resolutions (the one on the Launching State and the other on Registration Practice). I am a member of editorial boards of relevant journals as the German Journal for Air and Space Law, Space Policy and formerly also Acta Astronautica. In addition, I have been invited to join academic advisory boards as for Keio University Law School or the Chinese Society of Astronautics.</p>
<p>specify the reason for applying for the nomination and how you can serve iisl maximum length 500 words</p>	<p>When taking office as President, I set out an agenda, which I launched with the support of Board members and many other members and which I would like to continue to implement. Key aspects are the broadening of the geographical scope of activities (as an annual IISL conference in the Asian region and the setting up of a Latin American round for the Manfred Lachs Moot Court Competition), the development of new, relevant topics (as space law and cyber law, the regulation of meso-space), the broadening of the membership and the investigation in the different (regional, political) understandings of space law, which we will encounter in the mid future.</p>
<p>professional path including present position maximum length 500 words</p>	<p>Main points of my professional path include the German Ministry for Post and Telecommunications, the German Space Agency DARA, the German Aerospace Center DLR (Head of Corporate Development and External Relations), the European Space Policy Institute ESPI (Director) and now the European Space Agency ESA (Chief Strategy Officer).</p>
<p>education and degree maximum length 500 words</p>	<p>Doctorate Degree in Political Science/International Relations from Tuebingen University (Germany) in 1993. Honoraray Professor at Tuebingen University since 2007.</p>
<p>main publications in english please specify not more than 5 publications an approximate total number of publications as well as an approximate number of publications in the iisl proceedings can also be included maximum length 500 words</p>	<p>Co-editor of the Cologne Commentary on Space Law (3 vols.), the Handbook of Space Security (2 vols.) and the two IAA Studies on Space Traffic Management. In all, author/co-author/co-editor of 19 books and 140 articles and papers.</p>
<p>membership and professional affiliation</p>	<p>International Academy of Astronautics, Russian Academy of Astronautics, French Academy of Air and Space, International Law Association.</p>
